MAN Engines

MORE COMFORT

You have nothing to worry about with the MAN Work PLUS|1 and Work PLUS|2. The extended warranty protects you against unexpected repair costs of all your MAN branded engine room components, excluding consumables such as filters, hoses and belts. And because MAN's Work PLUS is fully transferrable, you're safe in the knowledge that you're not only protecting your investment but maximising its resale value at the same time.

COVER THE UNEXPECTED

Extension of the Work PLUS|1 and Work PLUS|2 warranties

All MAN engines for working boats are delivered ex works with a one-year warranty. This warranty is valid for the entire scope of supply from MAN, and is therefore also valid for all engine parts. Wearing parts and components that have to be replaced at regular maintenance intervals are excluded from the warranty. You have the option of taking out additional coverage for yourself and your investment beyond the one-year warranty: Work PLUS|1 and Work PLUS|2 offer you an extension of the warranty by up to two additional years, meaning that the total warranty would be up to 3 years. The operating hours of your engine will depend on the application.

Engine Type	Operation
D2676	
D2868	light/medium/heavy duty ¹⁾
D2862	

¹⁾ applies only to engines in commercial use

→ Benefits of Work PLUS|1 and Work PLUS|2 for you at a glance:

- The Work PLUS|1 and Work PLUS|2 extensions cover all the MAN components in your engine room, including cost-intensive components such as the electronics and turbo charger
- The transferability of the extension increases the resale value of your vessel
- All maintenance work and repairs are carried out by an authorised MAN service partner
- You can be sure that all servicing and repairs will be performed exclusively using MAN Genuine Parts
