MAN Engines

MORE COMFORT

You have nothing to worry about with the MAN Gold Standard Premium (GSP). The extended warranty protects you against unexpected repair costs of all your MAN branded engine room components, including cost-intensive components such as electronics and turbo chargers. And because MAN's GSP is transferable, you're safe in the knowledge that you're not only protecting your investment but maximising its resale value at the same time.

COVER THE UNEXPECTED

Gold Standard Premium (GSP)

In addition to the warranty ex works (two years) and the warranty extension (Gold Standard), you have the option of taking out additional coverage for yourself and your investment: **Gold Standard Premium** gives you the option of extending the original warranty for three more years, meaning a total warranty period of five years. For the additional three years, the warranty can be concluded for another 2,500 or 4,000 operating hours. Your additional advantage compared with the Gold Standard extension: **All engine components are completely covered.**

Engine type	Coverage duration
i6-730 / 800 / 850	5 years 2,500 or 4,000 hours ¹⁾
V8-1000 / 1200 / 1300	
V12-1400 / 1550 / 1650	
V12-1800 / 1900 / 2000	

1) for privately used yachts only

→ The benefits of your Gold Standard Premium extension at a glance:

- Coverage of all MAN components in your engine room (including electronics & turbo chargers)
- The transferability to subsequent owners increases the resale value of your yacht
- Peace of mind beyond the standard warranty
- Protects your investment against unplanned repairs
- Remaining flexible because you can opt for the warranty extension within the first two years
- Adaptable to your needs and lifestyle (2,500 / 4,000 hours)
- All maintenance is performed by an authorized MAN service partner
- Only MAN Genuine Parts are used
